

Newsletter - Autumn 2024

What's going on with Precision-BTC-Network community?

Dear Precision-BTC-Network members,

Welcome to the second edition of the Precision BTC Network's Newsletter! Many interesting activities and significant events have taken place these past few months. Check them out below!

EVENTS

The 2nd Core Group meeting took place on 29th August 2024 in Glasgow, Scotland.

Click on the images to find out more about the upcoming events...

The 3rd Core Group meeting is scheduled on 20th January in Lisbon, Portugal.

The 12th Annual CCF Conference will take place 9-10th April in Salt Lake City, USA.

AMMF's Hybrid 2025 European CCA Conference will be on 7-9th May in Stansted, UK (+Virtual)

The 2nd Action Meeting & Monothematic Conference will be on 22-23 May, in Mallorca, Spain.

RESULTS FROM COLLABORATIVE PROJECTS

Congratulations are in order:
6 new papers!
2 more funded projects!

These are important for showing the work of the COST Action, don't forget to **acknowledge and share!**

IMPORTANT REMINDER ABOUT COLLABORATIVE PAPERS

Remember to acknowledge COST and send your article to samuel.v.kocsis@usal.es if your work is a collaboration between...

1. Multiple Action members from the same country
2. At least 2 action members from 2 different COST countries
3. At least 3 action members from 3 different COST countries*

*These publications are eligible for funding via dissemination grants.

Ending with a very special message...

As the holiday season approaches, we would like to take a moment to thank you for your hard work and collaboration. This year has been marked by significant achievements, all made possible by your dedication and teamwork.

Your contributions and enthusiasm have been invaluable, and we feel privileged to work with such a talented team driving this project forward.

We look forward to the opportunities and successes the coming year will bring as we continue to innovate and make a lasting impact together.

Wishing you a joyful and peaceful holiday season (and a well-deserved chance to recharge for the year ahead!)

Warm regards,
Rocio Macias - Action Chair
Chiara Braconi - Vice Chair

Thank you for being a part of the Precision-BTC-Network community!

This newsletter was created within the scope of a VM grant project.
