RESULTS FROM COLLABORATIVE PROJECTS

- Publications:** 9 thus far and more on the way!
 - ⚠ *Remember to be sure that your manuscript follows [COST visual identity guidelines!](#)*
- Participation in conferences and congresses:** many members have presented their results in relevant events like Liver Cancer Summit 2024, ILCA Single Topic Workshop 2024, ESMO Gastrointestinal Cancers 2024 and many more.
 - ⚠ *Remember to use our logo in your presentations!*
- Funded projects:** the first CA22125-related collaborative project was granted!

Send the manuscripts and/or photos of your presentations in conferences to [Sam](#) (Grant Holder Manager) so they can be added to the repository!

Find further information in our Repository!

EDUCATION

- [First Short term scientific missions \(STSMs\) Call:](#)
5 Young Researchers and Innovators were awarded STSM grants. 4 have already enjoyed their exchanges, while another is set to begin in just a few days.
- [First Virtual Mobility \(VM\) Call:](#) 6 Precision-BTC-Network members' projects have been granted funding.

Gaia Fabris with her host research group in Spain.

Martin Manov learning new techniques in Spain.
