Registration & Call for Abstracts

The Conference Organizing Committee is pleased to invite you to **register to attend the *ENS-CCA/Precision-BTC-Network Joint Conference* on June 11th to 12th in Rhodes, Greece**. For conference details & updates, visit our *Action Events* page.

Registration to attend the conference both in-person and online is open to all members of the Precision-BTC-Network. **Deadline for registration is May 6th.**

REGISTER HERE

NOTE: you must be logged on to the Precision-BTC website to register. For instructions on how to create a profile please contact samuel.v.kocsis@usal.es.

You are also invited to submit an abstract for presentation at the conference. We welcome abstracts on basic, translational, and clinical research on biliary cancers.

Abstracts are submitted via the registration link above. Please submit your abstract summary as a docx file and following the template provided. **Deadline for submission is April 6th.**

Submitted abstracts will be considered for poster presentations and oral flash talks.

Posters will be organized by areas, according to the specific topics of each **Working Group** (**WG1-6**) of the Precision-BTC-Network. Opportunities for presenters to discuss their work during a Poster Tour will be provided in the Congress schedule.

Accepted abstracts will be displayed on the conference website *subject to author approval.*

Important points

> Abstracts must be submitted in **English**.

> Abstracts must report new or recent substantive scientific results from the author(s).

> The presenting author of the abstract must complete registration by **April 6th** to ensure timely assessment and inclusion in the Programme.

> The same abstract cannot be submitted by different delegates.

> Abstracts will be assessed by Conference Organizing Committee. Notification of assessment outcomes of abstracts the Congress are expected to be available in late April.

DEADLINES

> Abstract submission – April 6

> Conference registration for those submitting abstracts – April 6

> Conference registration for other participants – May 6
